DONATION OF EDUCATIONAL

REPL to help budding students get a better understanding of the rapidly changing technology scenario has donated K-YAN to Arya Chanakya Vidyadham, Aurangabad. K-YAN is for a digital classroom, which is an ingenious combination of interactive device, multi-media content for classes K-12, innovative experiments, training of teachers on technology and other value-added services. This initiative of REPL will expose students to devices and systems that are unaffordable by their modest backgrounds.
