## THE WORLD ENVIRONMENT DAY

Environment, as the world celebrating a day that emphasizes and stimulates worldwide awareness of the environment and enhances political attention and action. World Environment Day has been raising awareness, supporting action, and driving changes for the environment since 1974. Each year World Environment Day has a unique theme's and host nation, for 2019 theme is "Air Pollution" with China as a host nation. Rucha has always been at forefront of sustainable actions and with awesome zeal, our Rucha'ites has played their part with Tree Plantation at all of our locations.
