FAMILY VISITS

While we continually devote our half of time in organization, other half of our life i.e. our families play important part in motivating us to give our best. To strengthen this ties further we invited families our employee to see where they work? What they do?

The Program has been monumental at creating that emotional bonds. Under this initiative various other it also kind-off inspiration to next generation by experiencing first-hand the technology at work.

Moreover, under “HR Applya Dari” initiative we are randomly visiting our employees at their home, to further establish emotional connect of employee and their family members with organization. We are surely able to witness improved employee satisfaction due to greater support from their family members.
